BSGA Regional Schools Trampoline Competition

A Word From The Organisers

Having stepped in at the last minute to deliver this event, the team at AAAsports are delighted with the support which has been shown to us by the various schools and clubs over the last few weeks! Thank you to all the teachers, coaches and officials who have helped to get this competition up and running, especially Whickham School and North Star TC who offered to host the event at such short notice.

Our aim is to ensure that everyone has a great time taking part in this event – please contact us in advance for any questions you may have by emailing schools@AAAsports.co.uk or speak to any of our team on the day. We know that there are some small changes to the set up for this competition, so we appreciate your understanding whilst we all get to grips with the new system!

We look forward to hosting many more schools events in the future and helping the event grow in size and popularity, including the Regional Schools event in December 2023 and then the Zonal Schools event in January 2024! Good luck to everyone taking part this year!

Information for Coaches

IMPORTANT – Check-In Process

Please read this process carefully as this is different to other competitions:

- Gymnasts **DO NOT** need to register at the check-in desk.
- All coaches must sign in at the check-in desk on arrival at the competition for each school they are representing. Coaches will receive a pack containing warm-up cards for each of the gymnasts from their school this pack will only be given to the coach signing on behalf of the school and cannot be collected by anyone else.
- When warm-up begins, each gymnast must take their warm-up card to the Warm-Up Marshall and check in before getting on the trampoline.

Coach Responsibilities

- A reminder that all coaches must hold valid BG recognised qualifications.
- Please be aware that the coach signing in at the check-in desk is signing to confirm that they are taking responsibility for the gymnasts from the school and that they have permission to represent the school accordingly.
- Coaches and Team Managers **MUST** ensure that their gymnasts do not warm-up before the coaches have signed in at the check-in desk.
- It is recommended that coaches arrive at least 30 minutes before the competition is due to begin so as to not delay their gymnasts warming-up.
